Project Information

CCC Interpretive Facility Project Status

Lantz Construction of Broadway will soon begin working to build the USDA FS Lee District Office. Funding is still being sought to create CCC interpretations.

CC Workers Statue & Commemorative Pavers

Commemorative Pavers are still available for purchase. These granite pavers will be placed in the entrance of the new facility. Paver sales are a primary earning source for the CCC workers statue, installation and the commemorative wall of pavers.

VFW Post #2447 honors CCC Veterans

VFW Post #2447 is donating a commemorative stone that honors their members who were affiliated with the CCC. Names already identified are: Crisman, John (USFS), Dawson, Beverley; Leake, Everette; Mauck, Cecil; Mullins, Charles B. (Moon); Sine, Clifford; and Stanley, Rowand.

CCC Parade Activities

On September 16, 2006, the CCC will be represented at the Edinburg Ole Time Festival in Edinburg. CCC enrollees are welcome to ride on the float.

Artifacts and Archival Information

Forest Service volunteers continue their work on CCC archival database. The database will give web users access to the information that is archived in the new facility. By sharing CCC heritage in the digital environment it allows more people to study and understand the history of the modern conservation movement and how it affects us. If you have artifacts, photographs, or stories that you would like to share, please let us know.

Program

12:00 Welcome—

Ranger Jim Smalls, Lee District

Pledge of Allegiance -

Lead by Ranger Smalls

Mess Call—Prayer—Norma Burnette

1:00 Program—

Joan Sharpe, Introduction of Guests

Walter Atwood—President, NACCCA

National Association of CCC Alumni

Senator Mark Obenshain - Present—

CCC Members Appreciation Day SJR

Dedication Ceremony

“As custodians of our natural resources the Soil Soldiers of the CCC nurtured America’s vast land. Let this soil, that represents the history of Camp Roosevelt, blend with the projects of the modern era, that their memories might reside here, in the ground that they worked, so we can continue to honor them and their vast contribution to the modern culture. “

Memorial—

Joe Lehnen, VA Department of Forestry
