Location of the 2006 annual Camp Roosevelt Picnic & Reunion changes to FS Depot in Edinburg, VA

A change of location is in order for the 29th annual Camp Roosevelt Alumni Picnic and Reunion. To preview the construction site, this year it will be held at the USDA FS Lee District Depot in Edinburg, Virginia, Sunday, September 10, 2006, 11:30 – 2:00. It is traditionally held at the Camp Roosevelt Campground in the George Washington National Forest.

As the start of construction grows nearer, organizers are inviting the public to participate in a preview of the building site and help commemorate the legacy of Camp Roosevelt. Walter Atwood, President of the National Association of CCC Alumni, (NACCCA) will assist in the commemoration ceremony. Virginia Senator Mark Obenshain will present the official resolution that created the Virginia CCC Members Appreciation Day that will recognize the vast contribution of the CCC every March 31.

Camaraderie abounds at this potluck meal. Please bring your favorite dish, lawn chair, a hearty appetite and your best CCC story. The annual reunion and picnic was started by Edinburg resident and CCC alumni Charles "Moon" Mullins and is sponsored by the Camp Roosevelt CCC Legacy Foundation and the USDA FS Lee District Rangers Officer.
